Subject: Please do not threaten local jobs

I want to make sure the federal government doesn't send a big bill to business and households for the river cleanup.

The amount of wages generated by companies in the Portland harbor help so many families put food on the table. We all support a clean Willamette River but it's also crucial that the cleanup is flexible and not be so expensive that it threatens local jobs.

Please do whatever you can to support the river and our health but also to make sure our jobs don't go away.

Sincerely,
